The official opening is on Saturday 23rd March when there will be a photoshoot of 'full-size' Imps in the car-park at 11 a.m. The display will run until the end of September.

If any member would like to bring their Imp along to the photoshoot and then

view the display please contact me (details at the front of *Impressions* under Area Centre Co-Ordinator) ASAP. So far we have five coupés and a Husky so are desperate for some good saloons to come along!

Anyone wanting to visit the display from March to September will be able to get a two-for-one entry upon production of their Imp Club membership card.

The website address of the model village is www.babbacombemodelvillage.co.uk.
