Dr. R.J. Allan, Ph.D. M.Inst.P. (Archivist and Historian)

The Rootes Archive Centre Trust certifies that the details given above are compiled from an entry in the original factory records for the vehicle with the chassis number specified. This certificate does not constitute verification of the present condition of a specific vehicle. It also does not contribute to any claim of current ownership. These are the details of the

car as it left the assembly line. Cars were sometimes modified by the manufacturer after production and prior to shipment or by the dealers. **This certificate was produced in association with The Imp Club.**
